

THE SHORES

DINE ON THE BEACH

- Hours:** Lunch (Monday-Saturday): 11:30 a.m. to 2:30 p.m.
All major credit cards accepted
- Cuisine:** The dining concept at The Shores is simple – use the freshest ingredients from area farms and artisan purveyors to create food that is clean and flavorful while highlighting the best of each season.
- Wine:** The wine program features unique selections from around the world, offering a range of varietals and vineyards, all specifically selected to complement the cuisine. Please speak with Wine Director, Lisa Redwine pairing recommendations!
- Design:** The light and airy dining room is the perfect backdrop for the casual and comfortable cuisine. The décor incorporates neutral textures and patterns in cool ocean tones and the restaurant's floor-to-ceiling windows provide unobstructed views of the Pacific Ocean. The bar features comfortable intimate seating with sweeping views of the La Jolla coastline, while the outdoor patio allows diners to enjoy the fresh ocean breeze and sounds of the surf.
- Chef:** Chef de Cuisine, Augustin “Augie” Saucedo grew up in a home surrounded by great cooks and even greater food. His mom was a great home cook and his dad was a chef at the Disneyland Hotel. Saucedo also had the good fortune of spending five years in South America where the exposure to various cultures and cuisines cemented his desire to become a chef. Saucedo brings to the Shores Restaurant a wealth of training and experience, including stints at the Mission Inn, Chameleon Café, San Diego Convention Center and Shelter Pointe Hotel and Marina. Saucedo is a member of the Chefs de Cuisine Association of San Diego, a former member of the California Culinary Team, and a professional member of The American Institute of Wine & Food.
- Management:** Restaurant Manager, Lisa Redwine, CS, the grand daughter of a butcher and a cheese maker, learned the importance of fresh handcrafted foods at an early age. Redwine has a degree in Hotel and Restaurant Management from University of Wisconsin Stout and a degree in Culinary Arts from the Culinary Institute of America, where she graduated with honors. Redwine has worked in the kitchen and front-of-the-house with some of the most respected names in the industry including George Morrone and Michael Mina at the highly acclaimed Aqua, Elka Gilmore of Liberte, Charles Soloman of the four star restaurant Heights, John Cunin of the renowned Cypress Club, and Umberto Gibin of the Grand Café where she developed a wine program that garnered awards from Wine Spectator and Sante magazines. Redwine's multiple food and beverage certifications include: Certified Sommelier from Court of Master Sommeliers, Certified Wine Professional and an AOS Degree in Culinary Arts from the Culinary Institute of America.
